The above permit is granted with the complete understanding that the work is to be done in strict accordance with all existing Ordinances, laws and regulations and to the satisfaction of the Director of Public Works and it is further understood that the grantee absolves and holds the Town of Normal safe from any and all claims for damages or other costs which might occur due to the work authorized herewith.

I (we) hereby state that the above information is true to the best of my knowledge and acknowledge that any attempt to purposely supply incorrect information may result in denial of the permit(s) and/or in the discontinuance of water service. I further hereby state that any land clearing, construction or development involving the movement of earth shall be in accordance with the plans approved upon issuance of the permit.

I (we) will conduct the above described earth change in accordance with Part 91 Soil Erosion and Sedimentation Control of the Natural Resource and Environmental Protection Act, 1994 PA. No. 451 as amended, applicable local ordinances, and the documents accompanying this application.
