

FALL 2019

TANGO LAB

Ages 18+

Course topics include how to enhance partner connection, improve floor craft and navigation especially on crowded dance floors and how to feel and experience the music more artfully in your dancing. The six-week session uses a new movement vocabulary (set of steps) as a framework for developing the aforementioned skills. Dancers will acquire ability to dance tango fluently on any dance floor with any partner. Please wear dance shoes to allow for easy pivoting and NO partner is necessary.

Previous experience with Argentine Tango is required.

Location: Community Activity Center

Day	Time	Date	Fee	Activity #
TH	8:00-9:30pm	9/5-10/10	\$60* (6 week session)	250901-11

*Pre-Register or Drop-In
