The Normal Police Department, in collaboration with the McLean County States Attorney's Office, will be screening a Public Service Announcement titled "One Community One Mission, End Victim Blaming" on Wednesday April 4, 2018 at 2 pm at the Normal Theater. Admission is free and there will be a brief question and answer session with individuals from local law enforcement and the States Attorney's Office immediately following the showing. The PSA will heighten community awareness, enhance reporting, improve survivor services and hear firsthand the impact of sexual violence, as told through the courageous words of 3 survivors.

I hope you can join us on Wednesday April 4th because your help is critical in improving awareness and ending sexual violence in our community.
